TIGER

"TIGER! TIGER! burning bright
In the forest of the night,
What immortal hand or eye
Could frame thy fearful symmetry."

TIGERS! the theme of this annual was chosen for a three-fold purpose. First because of the tiger being the symbol of that type of courage known by every one to be an attribute of the Centralia High School student; secondly because it is the mascot of C. H. S.; and thirdly because it more truly represents, not only every activity of this school but the very spirit of it.

DEDICATION

MISS JOYCE GLASGOW

BECAUSE of the splendid work she has done, not for just one class, but for the entire student body, we feel that there is no one so deserving of this page as MISS JOYCE GLASGOW.

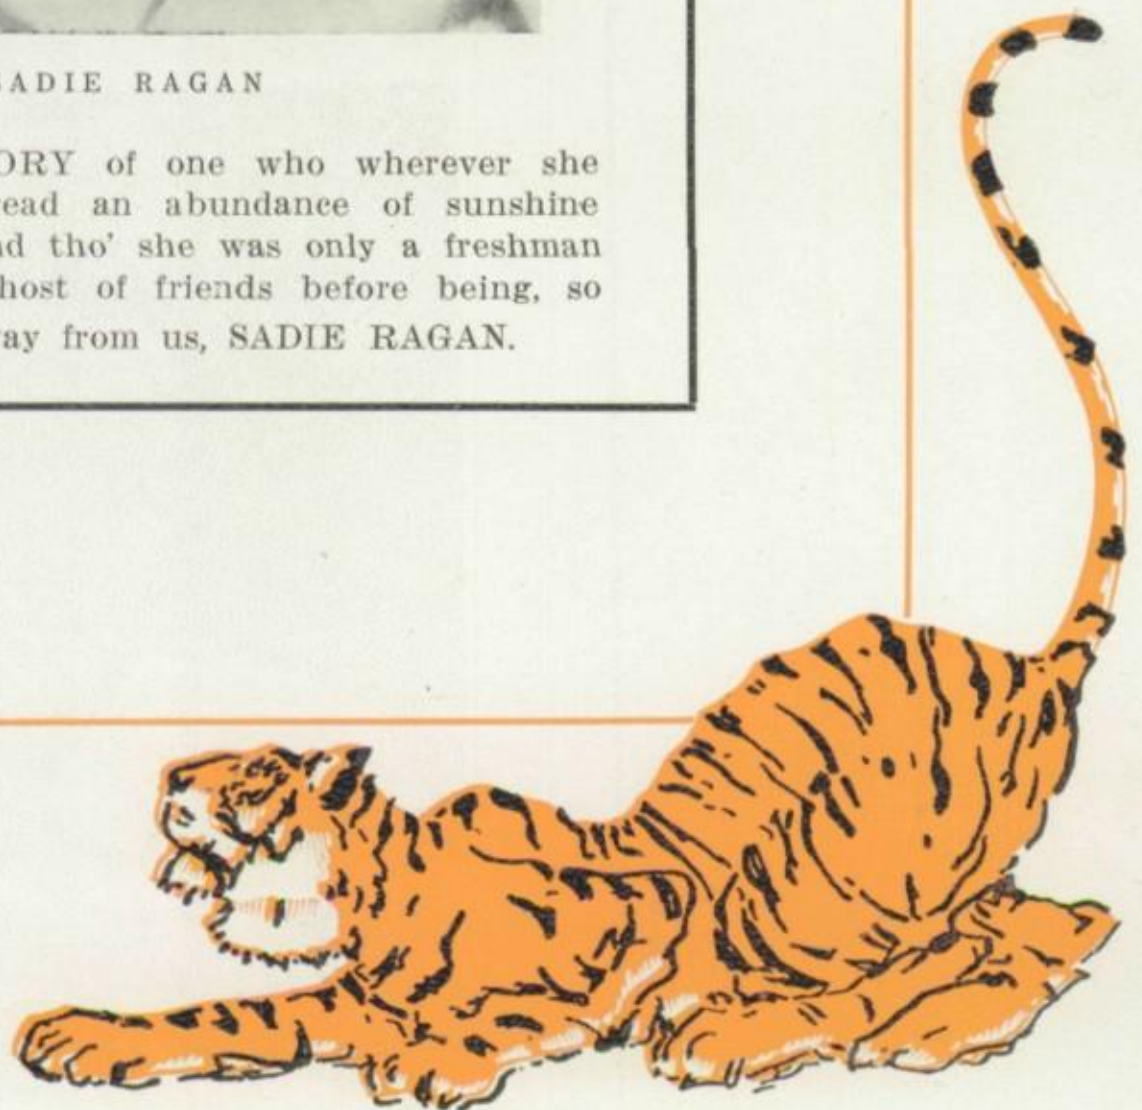

MEMORIAM

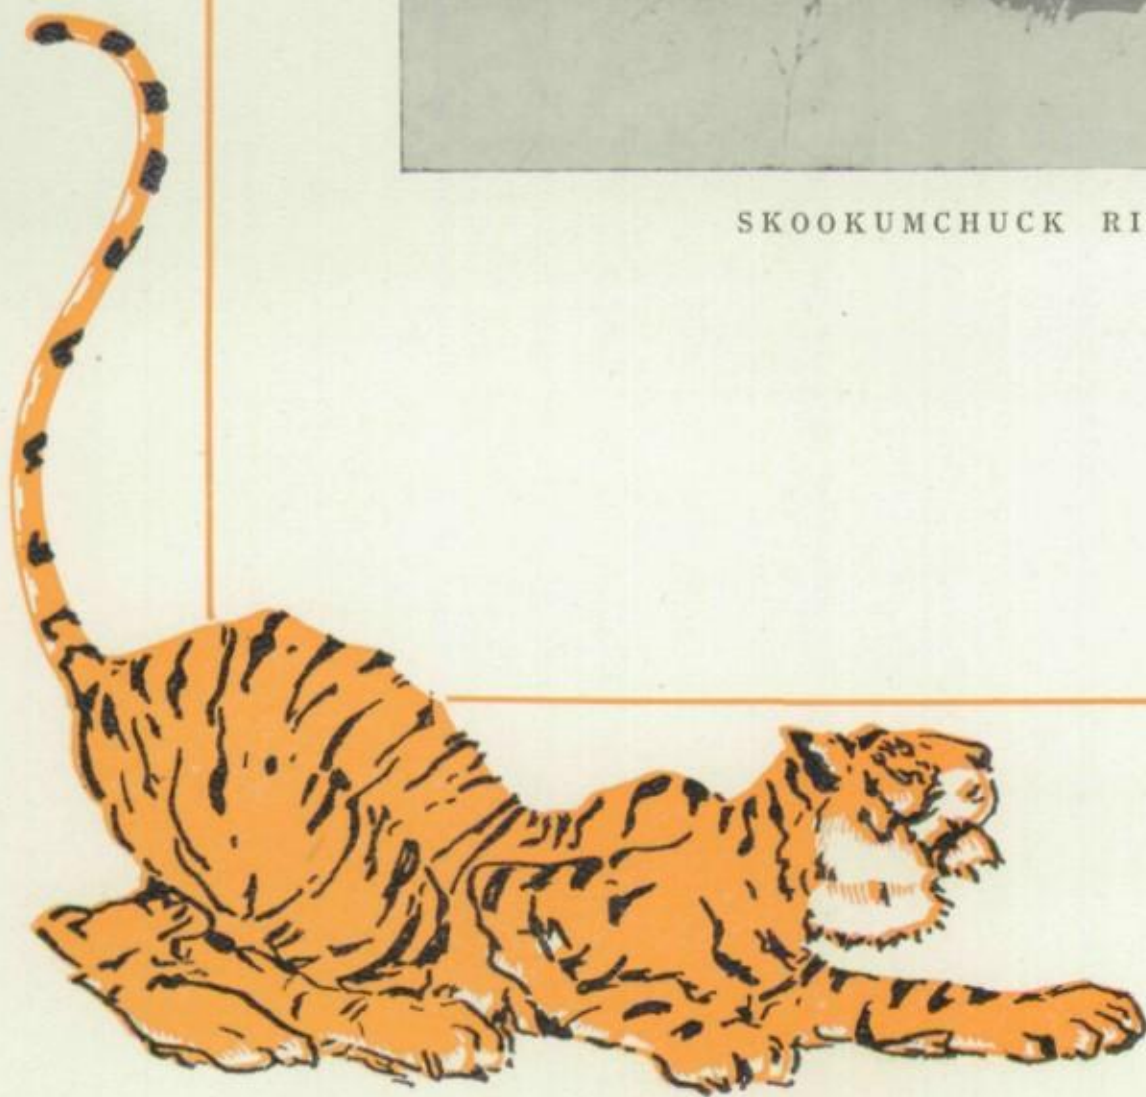

SADIE RAGAN

TO THE MEMORY of one who wherever she might be spread an abundance of sunshine and good cheer and tho' she was only a freshman she had made a host of friends before being, so suddenly called away from us, SADIE RAGAN.

“OPPORTUNITY for an education should be the privilege of every American boy or girl—education to the limit of his or her ability. But we should stop trying to force an education on them beyond their desire or capacity to learn. Public money expended for such purposes is wasted because all true education is self-education.”

SENIOR CLASS HISTORY

WHEN WE, the class of 1930, entered high school as freshmen, we selected the following officers: Frances Miller, president; Harold Berg, vice president; Victoria Mutal, treasurer, and Esther Clevinger, secretary. Miss Mildred Melby was our adviser during our first year.

The next fall, September, 1927, we came back to school intending to take our abuse of the preceding year out on that year's freshmen. We elected officers as follows: Wayne Davis, president; Madeline Seymour, vice president; Louise Wood, secretary; and Harold Berg, treasurer. Miss Dorothy Limbach was class adviser. At the carnival we sponsored two booths. One was the "Doll Dance," and the other a milkshake booth. Our party that year was held Friday, April 13, and was quite appropriate—a "Rabbit Foot" party.

In our Junior year we elected Wayne Davis, president; Howard Doersch, vice president; Louise Wood, secretary; and Bud Daviscourt, treasurer.

Our play, "Seven Keys to Baldpate," was a great success. It was coached by Miss Joyce Glasgow and the leads were ably played by Helen Graves and Venard Kilborn. May 24 we gave the Junior-Senior picnic at Patterson Lake in honor of the seniors.

Now as mighty seniors, we elected Paul Sweet, president; Howard Doersch, vice president; Myrtle Sackerson, secretary; and Aaron Shanedling, treasurer. Miss Wilhelmina Hirsch, as class adviser, has guided us through a most prosperous and enjoyable year.

The Junior-Senior picnic this year was a joint affair sponsored by both the Junior and Senior classes. As a final windup for the year it was surely a well run good time.

JUNIOR CLASS HISTORY

AS FRESHMEN we were the usual meek and timid students who took the jokes and the abuses of the upper-classmen in a good sportsmanlike manner. We proved our wisdom, however, at our first class meeting when we chose Grant Packard, president; Jack Baker, vice-president;; Bernice Campbell, secretary; and Rhea Faulkenbury, treasurer. With Miss Thomas as advisor we had a very successful year.

During our Sophomore year, Edward Spurgeon, president; Catherine Begley, vice-president; Laura Breen, secretary and Jack Gerwig as treasurer, directed us through the year. Miss Rennie was our faithful advisor.

This year as juniors we made the best record of our short career. Edward Spurgeon presided over our meetings with marked ability. Jack Gerwig, was vice-president; Gaynell McCann, secretary; Howard Grimm, Treasurer, Irvin Greenleaf, yell king; Doretta Berry, song queen. Miss Bertha White guided us through the year. We entered in all activities.

Personal honors in football were won by Woodrow Ullin whose name was printed on the Warren O. Grimm cup; he also received a football from George O'Brian, movie star, for being the biggest inspiration to the rest of the team during the Chehalis game.

A number of the juniors took part in the music tournament. Ervin Lesser received first place at both Chehalis and Raymond in trumpet solos. Bill Cutlip received second place at Chehalis for bass voice.

Social events of the year were Junior-Senior picnic, held at Patterson Lake, in May.

SOPHOMORE CLASS HISTORY

IN THE FALL OF 1928 a very enthusiastic class entered C. H. S. This class was eager for knowledge and to back all activities.

The following officers were elected at the first class meeting; Richard Rockwell, president; Kenneth O'Brist, vice president; Bernice Campbell, secretary; Melvin Davis, treasurer. Miss Laurabell Minter was chosen class adviser.

We were all back of the student ticket, games, carnival and every other activity in C. H. S. And did we back them, "Oh Boy."

Our class party was in form of a "Pirate Party," and a great success and, more fun! Well, that's that, for the said year.

The next fall, 1929, we were still rather shy, but showed our ability in electing Elinore Castle, president; Verol Elmendorf, vice president; Dorothy Fellows, secretary; and Foster Teevan, treasurer. Miss Laurabelle Minter was again chosen our class adviser.

Our interest in activities were varied as shown in the fact that "Jackie" Wolfson won the vocal solo in the Music Tournament and Foster Teevan, was a member of the Debate Club.

Our party this year was a great success, "Oh, Yeah," of course it was something new; what kind? A "Sleuthing" party. What kind is that? Oh, consult Mr. Webster about it.

May our coming years be as successful as have been the past two.

FRESHMEN CLASS HISTORY

THIS CLASS displayed the quintessences of superpolitics-electivity by using the Sweet-Sapp method of choosing officers. As president we chose Robert Sapp; vice president, Robert Sweet; and in order to take all business off their hands we chose Helen Jones secretary, and Marion Copley, treasurer.

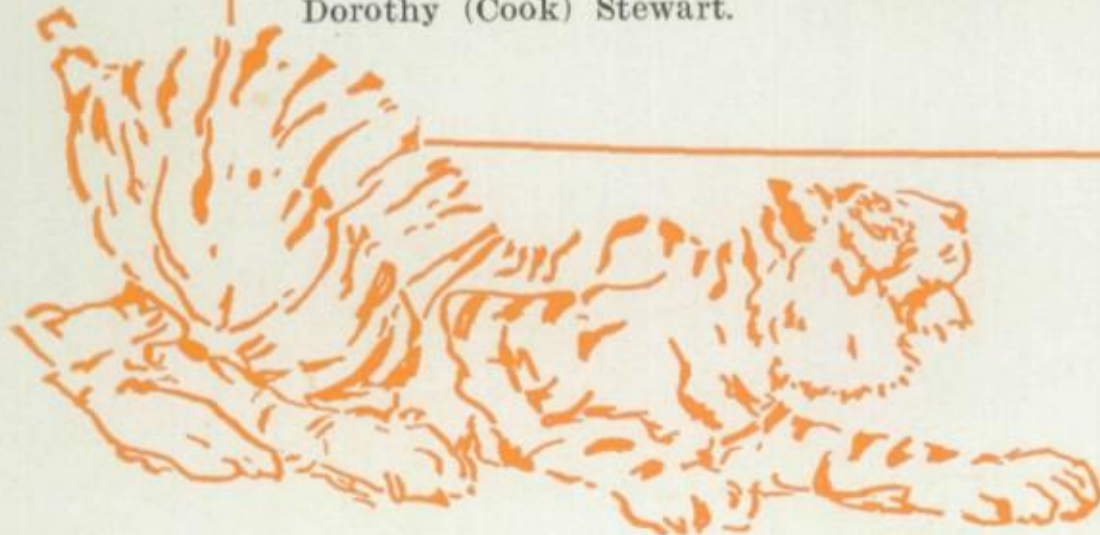

After looking up their birthdays we find that Oscar Cutlip and Rebecca Duffy were born under the star of Venus for these two were crowned carnival King and Queen by Wayne Davis.

A superior team of Freshmen, coached by Mr. Helm won the inter-class basketball tournament. Those needing recreation and taking it in this way were Bill Robinson, Elvin Waters, Robert Sapp, Dayton Neitert, Floyd Tice, and Lavern Myers. This does not include the substitutes.

Mr. Ghormley was the butcher in charge of the "Olde Time College Meat" (meet) in other words the Freshman party on March fourteenth. You should have seen the boys in their sun-tan suits and the latest creations from Paris, suffering in their big sister's high heeled shoes.

You all wonder why the Freshman had such a successful year. It was due to the fact that we had such capable advisers as Etyl (Gas) Thomas and Dorothy (Cook) Stewart.

STUDENT CONGRESS

AN OUTSTANDING ACHIEVEMENT has been accomplished this year in High School organization work in the form of a Student Council. The members of this council, as able representatives of their respective groups, function as an executive body, handling all financial expenditures amounting to \$10.00 or less and working out all details of the larger projects sponsored by Congress.

That Congress might be more efficient a reorganization was effected at the beginning of the year. Unlike the organization of last year, the Sergeant-at-arms, Song queen, yell king, Girls' League president, Annual editor, Columns editor, and the Presidents of the minor groups were eliminated. The reorganized Congress now consists of the Centralia High School Student Body Officers: President, Vice President, Secretary, and Treasurer; the Presidents of each of the four classes and a representative chosen from each roll room.

The Student Congress assumes the responsibility of the management of all high school affairs, taking care of all financial matters, athletics, school publications and projects.

The first of these was the Student Ticket drive which was thoroughly supported by the student body and brought very good financial returns.

Probably the most outstanding project ever undertaken by the Centralia High School was "An Evening With Harry Lauder". The auditorium was filled to capacity with a highly appreciative audience.

The annual Carnival designed as a money-making scheme, was held December 13, at the High School with signal success. The patrons of the school and citizens of the town gave their heartiest support to the students.

The Wilson Marionette Players was secured as one of the two entertainments promised to the holders of the associated student ticket.

The University of Washington Glee Club, which appeared as the second entertainment feature, was well received and creditably managed by the local committees.

The excellent quality of all these projects sponsored by students earned for the school a very worthy recognition.

ANNUAL STAFF

THE ANNUAL STAFF this year was reduced to the lowest number of students possible in order to have less confusion and more cooperation among the staff members.

The following students should be highly commended on their work: Sydney Sheppard who was responsible for much of the work being in on time and done in the correct way; Dora May Conrad, Lulu Cole and Pauline Kuel helped considerably in checking and typing the writeups; Dorothy Bingham and Katherine Ives who solicited advertising and Eggel Horne who did the clever cartooning for the annual.

The staff has tried to put out the best little year book that was at all possible with the material and funds at hand. We purposely left out as

much print-matter as we could because we believed that pictures would tell the same story in a more interesting manner than could be done by any of the staff. This was promoted by the fact that many students said that after a year or so the pictures were the only things that they looked at anyway. Mr. A. P. De Soto ably advised the book.

1930 COLUMNS

BECAUSE of failure to get organized and ascertain to which printer the contract would go, the first Columns wasn't issued until several weeks after school started.

Special issues were printed to commemorate special occasions such as the Thanksgiving Football Game, Christmas, Class Plays, and finally the Senior Class issue, the last.

For the first time in the history of the Columns, the National newspaper contest was entered. Considering the difficulties of the contest and the fact that it was the first year in the contest, the "Columns" emerged with flying colors, to bring back to C. H. S. the certificate showing a second class honor rating.

Of a possible one thousand points our paper garnered eight hundred and thirty. It was adjudged to be perfect in head writing and typography, perfect in choice of feature material, and perfect in selection of sub heads. At least a "Good" rating was gained in every department. From the standpoint of the judges in the contest, Centralia students have a paper to be proud of.

The fact that the Columns is the only high school weekly in South West Washington, adds another favorable point.

The change from news paper to machine-finish book paper makes it possible to use annual cuts in the paper.

A goal has been set for next year's staff to strive to attain. With the experience gained this year and certain advantages gained by not changing printers, Maxwell Merryfield, next year's Centralia Columns Editor-in-chief should put out a paper to be envied by neighboring schools.

Maron Oppelt was editor-in-chief, Wayne Davis, business manager, and Mr. A. P. DeSoto advised the publication.

"C" CLUB

THE OFFICERS of this years Club are: Clyde Hylton, president; Fred Schultz, vice president; Ernest Arveson, secretary-treasurer. Mr. W. L. Hall and Coach Dan Reed have acted as advisers.

The "C" Club is composed of boys who have earned a letter in one of the four major sports: football, basketball, baseball and track. The purpose of the club is: to look after visiting teams, to promote the spirit of good sportsmanship in Centralia High School, to supervise spectators at home games, and to aid other organizations in promoting the good of the school.

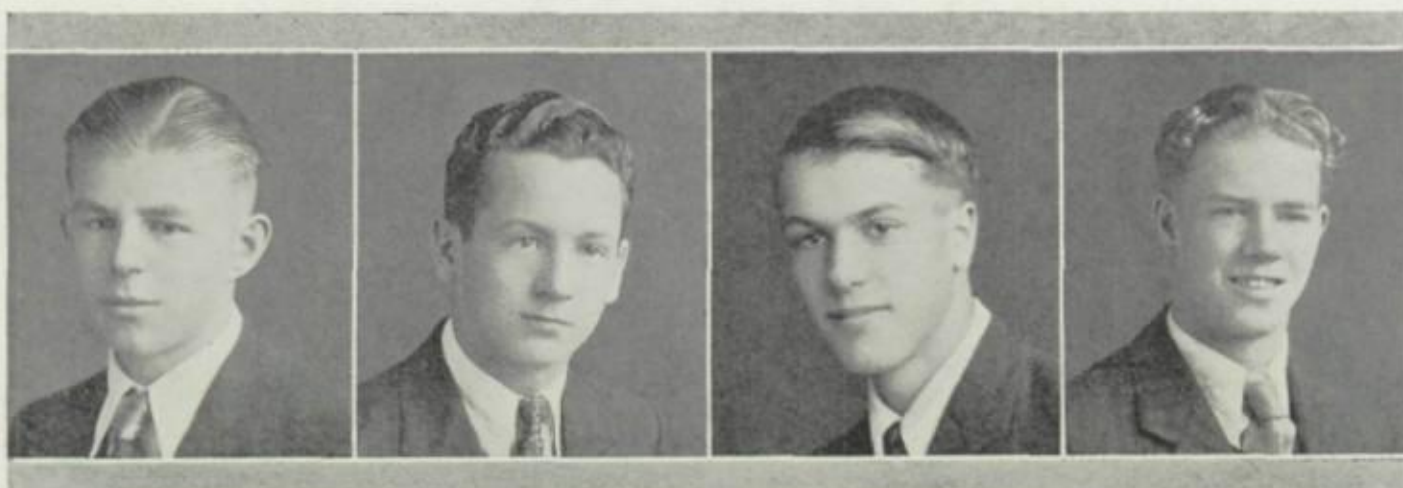

To become a member of the Club a boy must earn a letter in one of the major sports on a Southwest Washington team. He must be voted into the Club by a three-fourths majority. He must sign the "C" Club pledge. A member may be expelled from the Club for being "kicked off" the Squad, for being convicted of violating "C" Club pledge, or being convicted of violation of rules while in training.

The emblem of the Club is an orange and black cap which is worn only by members in good standing. Caps are worn at meetings, assemblies, rallies, and at games in which a member does not take part.

Members of the Club are:

Clyde Hylton, Fred Schultz, Ernest Arveson, Earl Prather, Don Waring, LeRoy Stahl, Maurice Lang, Lloyd Treat, Howard Grimm, Woodrow Ullin, Don Althaus, Harold Berg, Bill Cutlip, Bud Kern, Ed. Boardman, Oscar Cutlip, Ransom Convis, Ed. Spurgeon, Jim Myers, Dick Albritton, Orville Herriford, Bud Mathews, and Venard Kilbourn.

BOYS' CLUB

THE BOYS' CLUB of Centralia High School has just been through one of the most successful years in the history of the club. During the first meeting of the year we elected as officers the following:

President ----- Ernest Arveson
 Vice Prés. ----- Frank Murphy
 Sec. Treas. ----- Venard Kilborn

Owing to the fact that Frank Murphy later in the year made his home in Aberdeen we elected Edward Boardman to the vacant office.

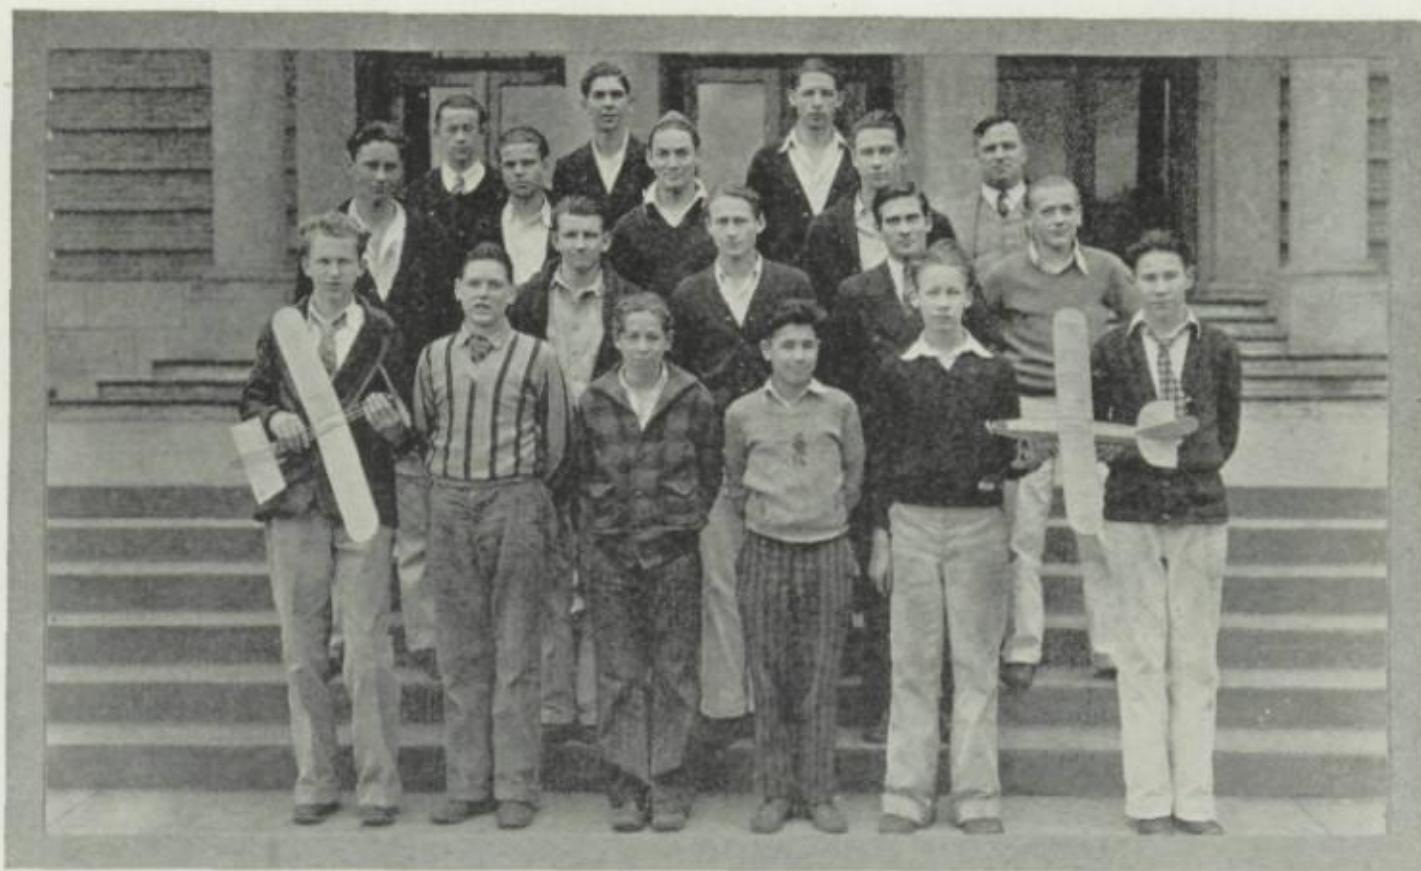

Our first project was to stage a Dad's night in which all of the boys in the club were to bring their dads. For that occasion we presented a style show in which boys were styled in women's clothing. It went over big.

During the Second semester, we were even more energetic and put over several programs, one to help the girls' put on an assembly, and another to have a boy's rooting section at all of the games. The officers for the second semester were as follows:

President ----- Edwin Boardman
 Vice. Prés. ----- Woodrow Ullin
 Sec. Treas. ----- Venard Kilborn

For the biggest project of the whole year we staged an Athletic Event in which we had several boxing matches and also wrestling. The club voted to present to the boy who performed best in the District Track Meet a medal. This was given to Bill Cultip who broke two records, one the Discus, and the other the Shot Put. To the success of the club much is due to Mr. Roy Hall, the boy's adviser. As a whole we think the club has experienced one of the best years in the history of the school.

AGRICULTURAL CLUB

THIS YEAR a new department was established at Centralia High School, the Department of Smith-Hughes Vocational Agriculture. In connection with this work the Agricultural Club was organized. The members of the club have set as a goal affiliation with the National group of Club boys, known as "The Future Farmers of America." In this, their first year the club has been quite active. They sent stock judging teams to Puyallup and to the Pacific International Livestock Exposition at Portland. They have supported other school activities whole heartedly. Sixty High School teams from the states of Oregon, Washington, Idaho, and Montana were entered in the Portland Contest. The C. H. S. boys placed eighth in the contest and took first in judging Jersey Cattle. Each of boys received a medal and the team was awarded a pennant. The members of the team were Byrd Barton, Sven Fagerness, and George Goebel. The team that represented the group at Puyallup consisted of Harold Herriford, Dalton Towner, and Floyd Jackson.

Speakers from Washington State College and from the different Dairy Breed Associations have appeared before the club to discuss, poultry raising, berry farming, and dairy work.

The officers for the first Semester were President, Dudley Lewis; Vice President, Jesse Bouchard; Secretary, Floyd Jackson; Treasurer, Clifton O'Conner. For the Second Semester the officers were, President, George Goebel; Vice President, Clifton O'Conner; Secretary, Jimmie Swanson; Treasurer, Donald Dobbs. The last group is busy making plans to finance the sending of a judging team to Portland next fall. Mr. Helm was club adviser for the year.

HI-Y

THE HI-Y CLUB, a branch of the Y. M. C. A. for high school boys, organized at the first of the year with the officers elected at the close of the previous year; namely, Ernest Arveson, President; Jimmie Renfro, Vice President; Eugene Morgan, Secretary; and Ralph Albright, Treasurer. Later in the year Eugene Morgan resigned as secretary to go to work and Gordon Berlin was elected to take his place. As a whole the club enjoyed a very good year, both financially and intellectually as well as having a general good time the entire year. That was probably due to the fact that H. K. Ghormley advised the club.

TRI-Y

THE TRI-Y CLUB, the high school girls' branch of the Y. W. C. A., and organized in practically the same way as the Hi-Y, started the year, 1929-1930 under their able president, Amy Berry.

The Club enjoyed a very progressive year as well as having a very good time. The Hi-Y, Tri-Y banquet, given in honor of this Club by the Hi-Y, was returned in form of a Tri-Y, Hi-Y party. Both were well attended and enjoyed. As a whole we feel that we lived up to our code as well as could be done.

RADIO CLUB

THIS CLUB was organized with the hope that its members would develop a useful, instructive, as well as constructive, hobby. Amateur radio permits contacts with many people who are interested in the same things you are and at great distances away. Much time is spent in code practice and the theory of radio in order that the members may pass the federal examination for a license.

The first to secure a license was Robert Wood, who mastered the code and theory in less than four months. Since then a number of others have secured licenses. Robert Wood has passed on but the club still thinks of him. His radio transmitter was given to the radio club, and it is now being used in training of future amateurs. Robert's call was W7BU and the following is written in his memory.

W 7 B U

Who knows the dreams he lavished on it?
The care and work and love,
That little "sender" full of power
That he had fashioned, hour by hour.

Who knows the rapture that filled his soul
As he gazed on it and found it whole!
That little "sender" full of power
That he had fashioned, hour by hour.

Ah! Only the Master who loves us all,
To whom he's gone as he answered the call!
He's going right on! There's so much to do!
God bless and keep you, our W 7 B U.

DEBATE CLUB

TO FOSTER INTEREST in debating and to give inexperienced people an opportunity to debate, the Debate Club was organized this year. Discussions and debates on various subjects comprise the programs of the club. Officers for the year were President, Foster Teevan; Secretary-Treasurer, Rebecca Duffy.

Miss Hazel Shoemaker acted as adviser for the club.

CENTRALIA DEBATE

BREAKING THE JINX that has held Centralia Debate for three years the 1929-1930 squad ended the season with two victories and two defeats. With a total of seven judges decisions, Centralia tied for third highest number of points in the South West Washington division, of the state debate league.

The season opened on November 1, with a 3-0 victory over Chehalis High. November 22 Centralia went down before Mossyrock, by a 2-1 decision. Journeying to Hoquiam on December 13, Centralia again suffered defeat, but had vengeance on Elma in the last debate of the season on January 15, when the judges unanimously named Centralia victor.

Members of the debate team were Robert Miller, Constance Hackett, Rhea Faulkenburry, and Foster Teevan. The three last named participated in the two debates necessary to win a letter. Miss Hazel Shoemaker coached the team.

The question debated was: "Resolved: That interscholastic and intercollegiate athletics are detrimental—the term detrimental to mean more harmful than beneficial."

GIRLS' LEAGUE

THE GIRLS' LEAGUE is an organization of all the girls in Centralia High School, under the advisership of Miss Lulu Warren. The officers were, Frances Graves, president; Laura Breen, vice president; Esther Clevinger, secretary; Louise DeCraene, treasurer. All business of this organization was carried on by a cabinet composed of the officers of the organization and the representatives of the four classes, Lois Watson, Freshman; Doris Taylor, Sophomore; Alta Marie Beal, Junior; Dorothy Bingham, Senior, and chairmen of the standing committees, Marguerite Miller, athletic; Helen Graves, entertainment; Mary Louie Edinger, social service; Eugenia Davis, finance; Ruth Baker, scholarship.

Much has been accomplished through this organization since its purpose is to serve in many capacities.

During the fall months the official members of the cabinet visited the P. T. A's. of the grade schools and gave explanatory talks in order to acquaint the Mothers with the work of the organization.

The "Gambolings of the Girleaguers" an entertainment sponsored by the girls, was an undertaking new to the organization but proved successful both financially and as an entertainment.

On April 5, 1930 the Girls were hostesses to the S. W. Washington Conference, at which time Frances Graves was elected President of the Conference.

The final entertainment of the year was a tea given in honor of the Students' mothers, on May 20, 1930, at the Hotel Centralia. Miss Margaret Stitt's sewing class featured a style show, in addition to musical numbers. The affair was charming in its spring motifs.

We feel the honor of the success of the above program is due to Frances Graves and Miss Lulu Warren's consistent efforts, combined with the hearty cooperation of both the Cabinet and the entire organization.

"PEPPERS"

THE FIRST YEAR of our "C. H. S. Peppers" has certainly been a snappy year. We believe that we have successfully carried out the aim of the Peppers in promoting school spirit, sportsmanship, and yelling at games.

In October, with the aid of Mr. W. L. Hall, several Seniors selected twenty-five girls from the two upper classes to be the charter members of the Peppers. The following officers were elected: Louise Wood, president; Frances Graves, vice president; and Geraldine Martin, secretary-treasurer. Miss Hjordis Smith was selected as our adviser.

The uniform of the Club consists of the regulation black "Peppers" sweater and a white skirt, with an orange and black throw and tam. The throw has "C. H. S. Peppers" insignia.

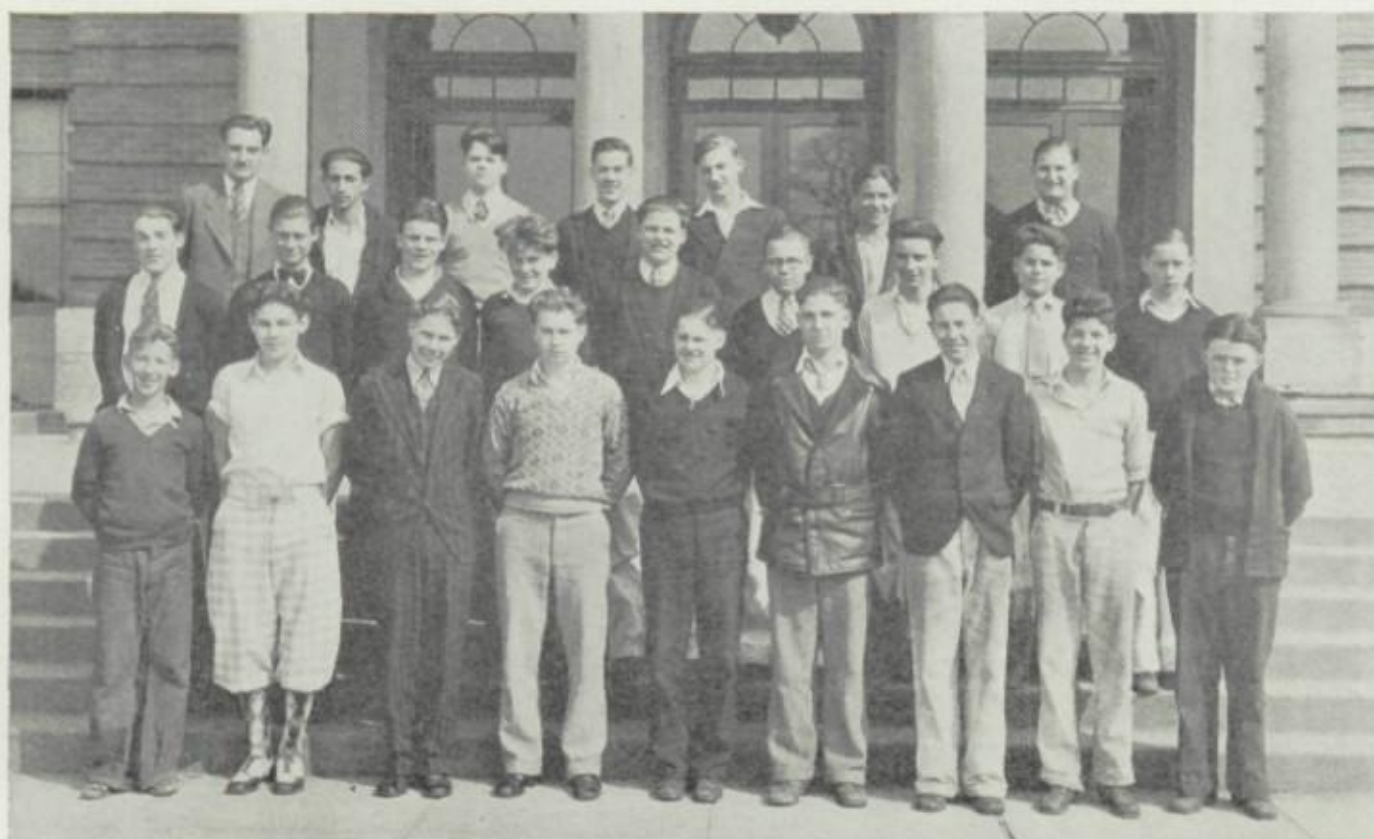

On March 1st the Club gave an informal dance at the home of Geraldine Martin.

The members of this club are: Louise Wood, Mable Hicks, Genevieve Born, Louise De Craene, Amy Berry, Wilma Freeman, Frances Graves, Eugenia Davis, Lois Doran, Laura Breen, Helen Graves, Mary Louie Edinger, Blanche Proffitt, Jeanette Born, Patricia Boardman, Doretta Berry, Rhea Faulkenbury, Esther Clevinger, Myrtle Fyock, Myrtle Sackerson, Helen Louise Hubbard, Onah Moore, Betty Sheldon, Gaynell McCann, Geraldine Martin, and Miss Hjordis Smith.

“WE ARE LIVING in a period of great inventions; radio and phonograph are developing into wonderful instruments. Yet I cannot think of a deeper joy, a greater thrill than to make one's own music.

"COME ON OVAH"

MUSIC & DRAMA

THE BAND AND ORCHESTRA

THE BAND AND ORCHESTRA have been active in school affairs this year. With a nucleus from last year's Band and Orchestra and many talented Freshmen, very creditable ensembles were achieved in each group.

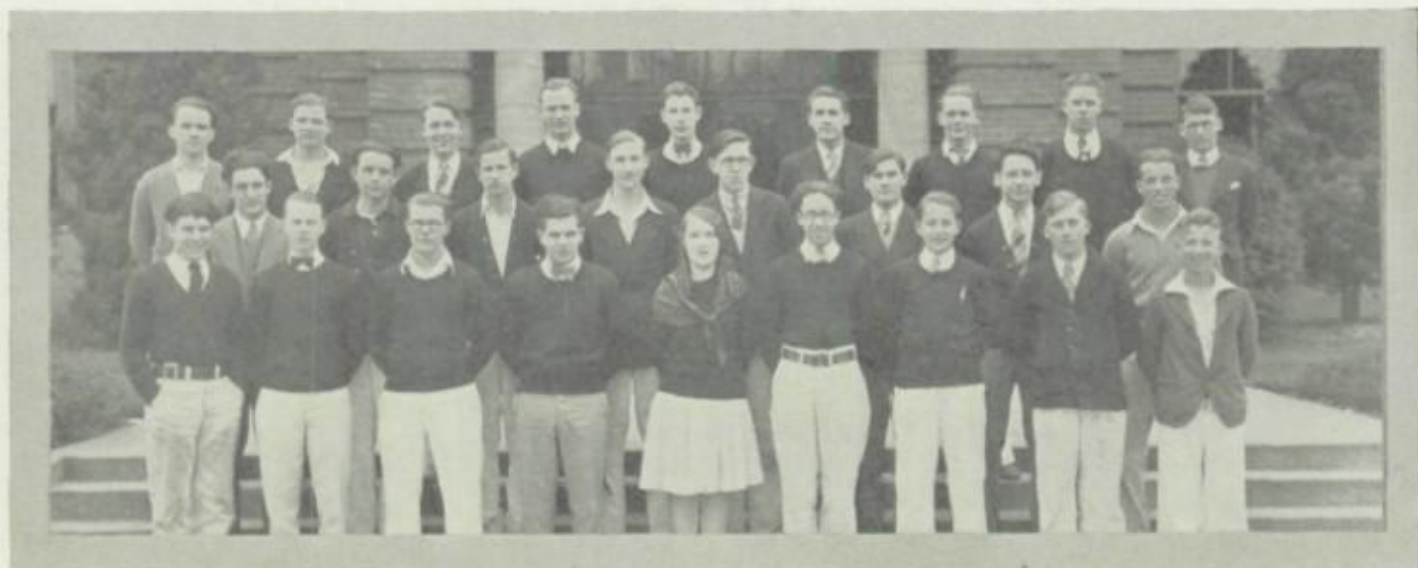

Many instruments that were needed were bought. Some of the instruments bought were the oboe, bassoon, and a bass tuba. A complete instrumentation is being built up and some of the rarer instruments are being bought.

A uniform was adopted and helped to improve the appearance of the groups.

Besides playing for games and pep rallies, programs were presented in assembly. Programs were also presented at various service clubs and some of the neighboring high schools. Both the Band and Orchestra took part in the Southwest Music contest in Chehalis and took second place in each case.

The Band also took part in the Western Washington Band Contest held at Kent, and in Class A consisting of schools of over six hundred students took third place in a field of six entrants.

THE BOYS' AND GIRLS' GLEE CLUBS

THE GLEE CLUBS have take part in many programs this year. The Boy's Glee Club was under the direction of Mr. John Monroe, and the Girl's were under the direction of Miss Carol Cheney until Christmas time, when Miss Joyee Glasgow took charge.

Besides the regular Glee Club work, Chorus practice was held, giving experience in this type of music. Much a cappella (without accompaniment) singing was done.

Besides numerous assembly programs, presentations were made in concert. The mixed chorus took part in the annual Christmas concert, singing as a choir in a church scene.

Each group took part in the Southwest Washington Music meet at Chehalis. The mixed Chorus took first place in competition with five other schools of Southwest Washington.

THE ENSEMBLE, MIXED QUARTET AND SOLOISTS

THE ENSEMBLE was formed before the Southwest Washington Music tournament. It consisted of Wayne Davis and Jack Grinnel, clarinets, and Marion Oliver and Ed O'Conner, flutes. Some beautiful work was done in this unusual combination of instruments. This group took third place in the Southwest Washington music tournament.

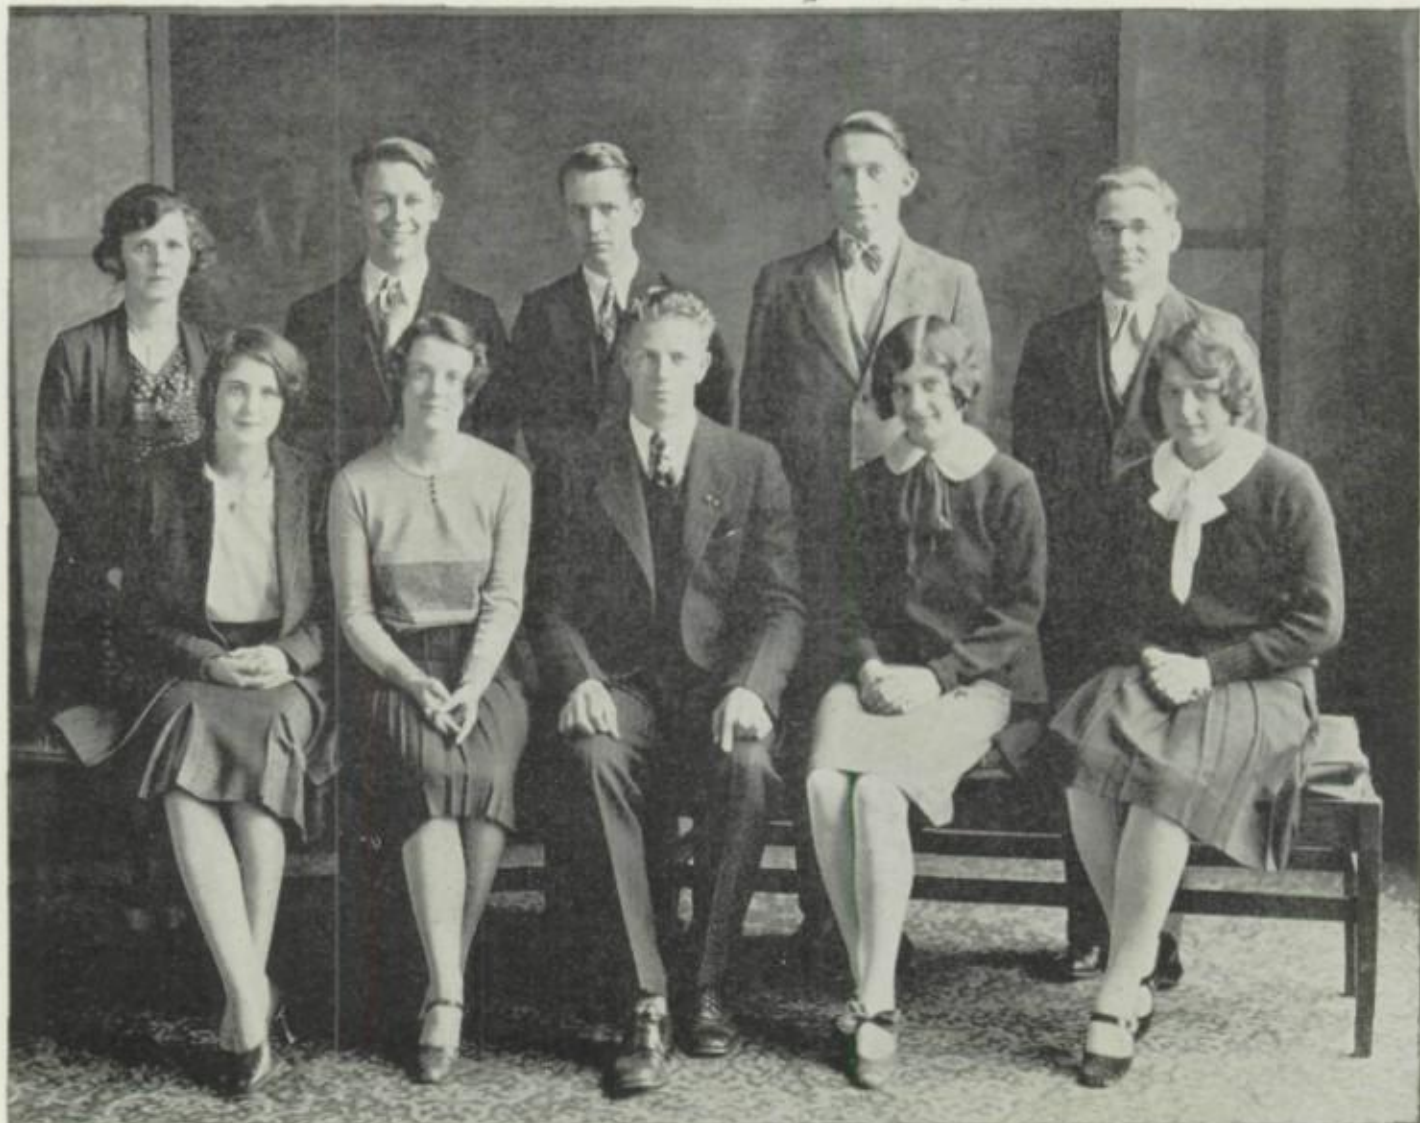

The mixed Quartet consisted of Ruby Throckmorton soprano, Ruth Persons contralto, Marion Oppelt tenor, and Joseph McShane bass. The Quartet took part in several programs and added much to the musical activities of the year.

Some very excellent work was done by the soloists this year, and much valuable experience was gained by each. Some of these made public appearances for the first time and made very creditable showing. Besides singing at assembly programs, and appearing at churches, lodges, etc. the soloists took part in the Southwest music contest.

Wayne Davis took first place in the clarinet solo, and received much praise from critics and judges for his beautiful playing. Marion Oliver played the flute solo, winning second place. Bill Cutlip received second place in Baritone solo. Nellie Barnhouse received third place in violin solo, Lola Beth Clizbe played the piano solo, Irvin Lesser the trumpet solo, Jacqueling Wolfson sang the soprano solo, Loretta Perry the contralto solo, and Bill Jennings played the Horn solo.

This has been a very full year in musical activities and much valuable experience has been gained.

THE STORY of “The Patsy” concerns the “ups and downs” of the youngest of the family. In trying to make her family proud of her she disgraces them—that is, in their view. She tells her lover about the young man she is in love with but who is in love with her sister. She finally succeeds in seeing this young man, but he tells her how she can win him, not knowing that it is he she is after. She finally wins him.

THE GAMOBLINGS OF THE GIRL LEAGUERS

THE "Gambolings of the Girl Leaguers" was the biggest project put over by the Girls League this year. It was a new idea but proved to be a great success.

The first part of the program consisted of several acts including a vocal solo by Jacqueline Wolfson, a clever tap dance by Esther Clevinger and Doretta Berry, and a flute solo by a young aspirant, Marion Oliver.

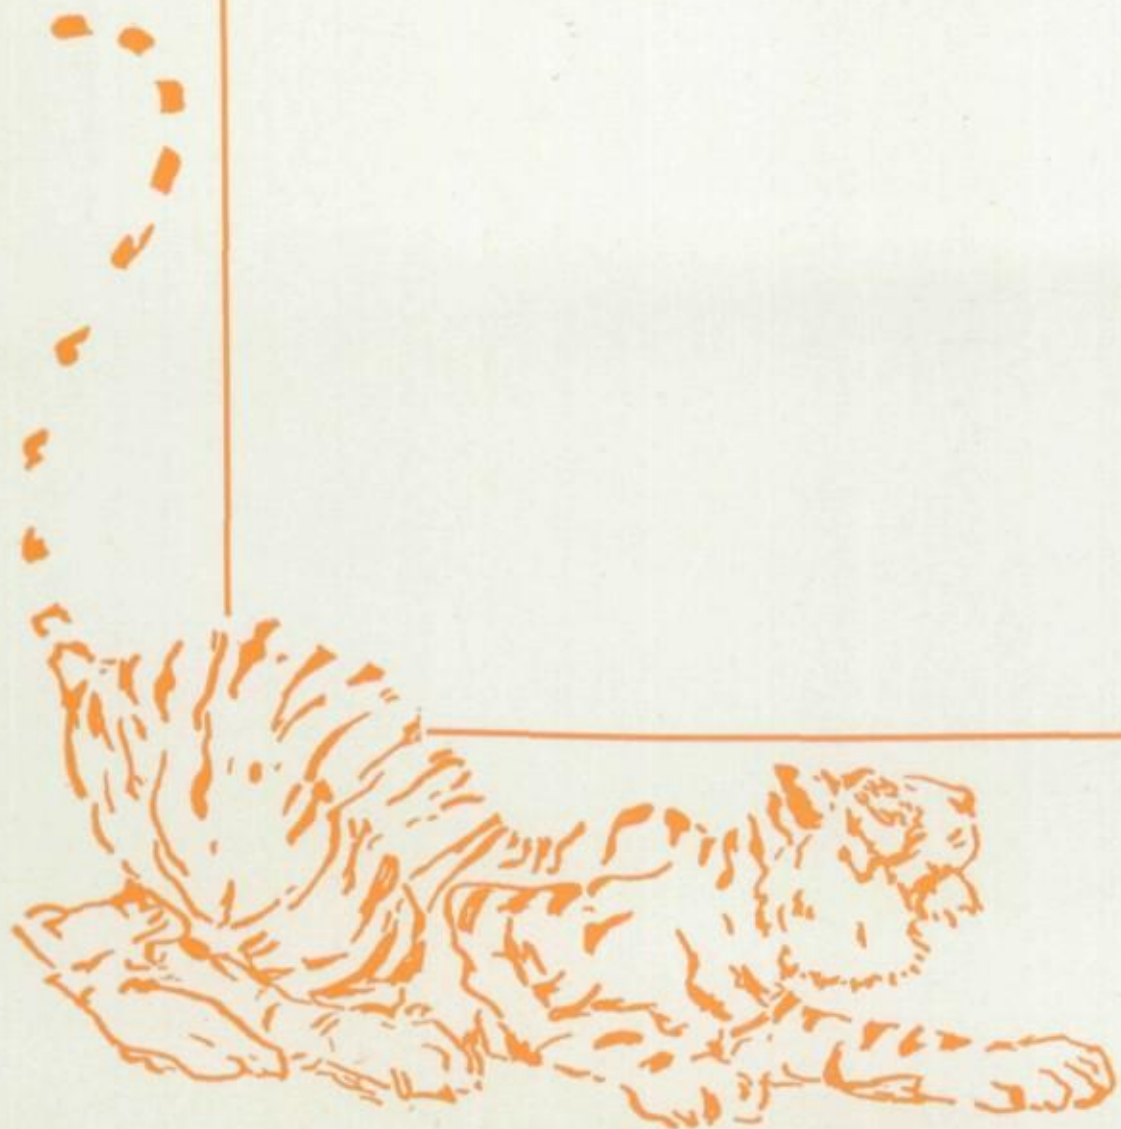

The play, "The Knave of Hearts," a comedy by Louise Saundun, was the main attraction of the evening. It was centered around the truth of an old fable about the stealing of the tarts, which proved to be false. It was ably directed by Miss Laurabelle Minter.

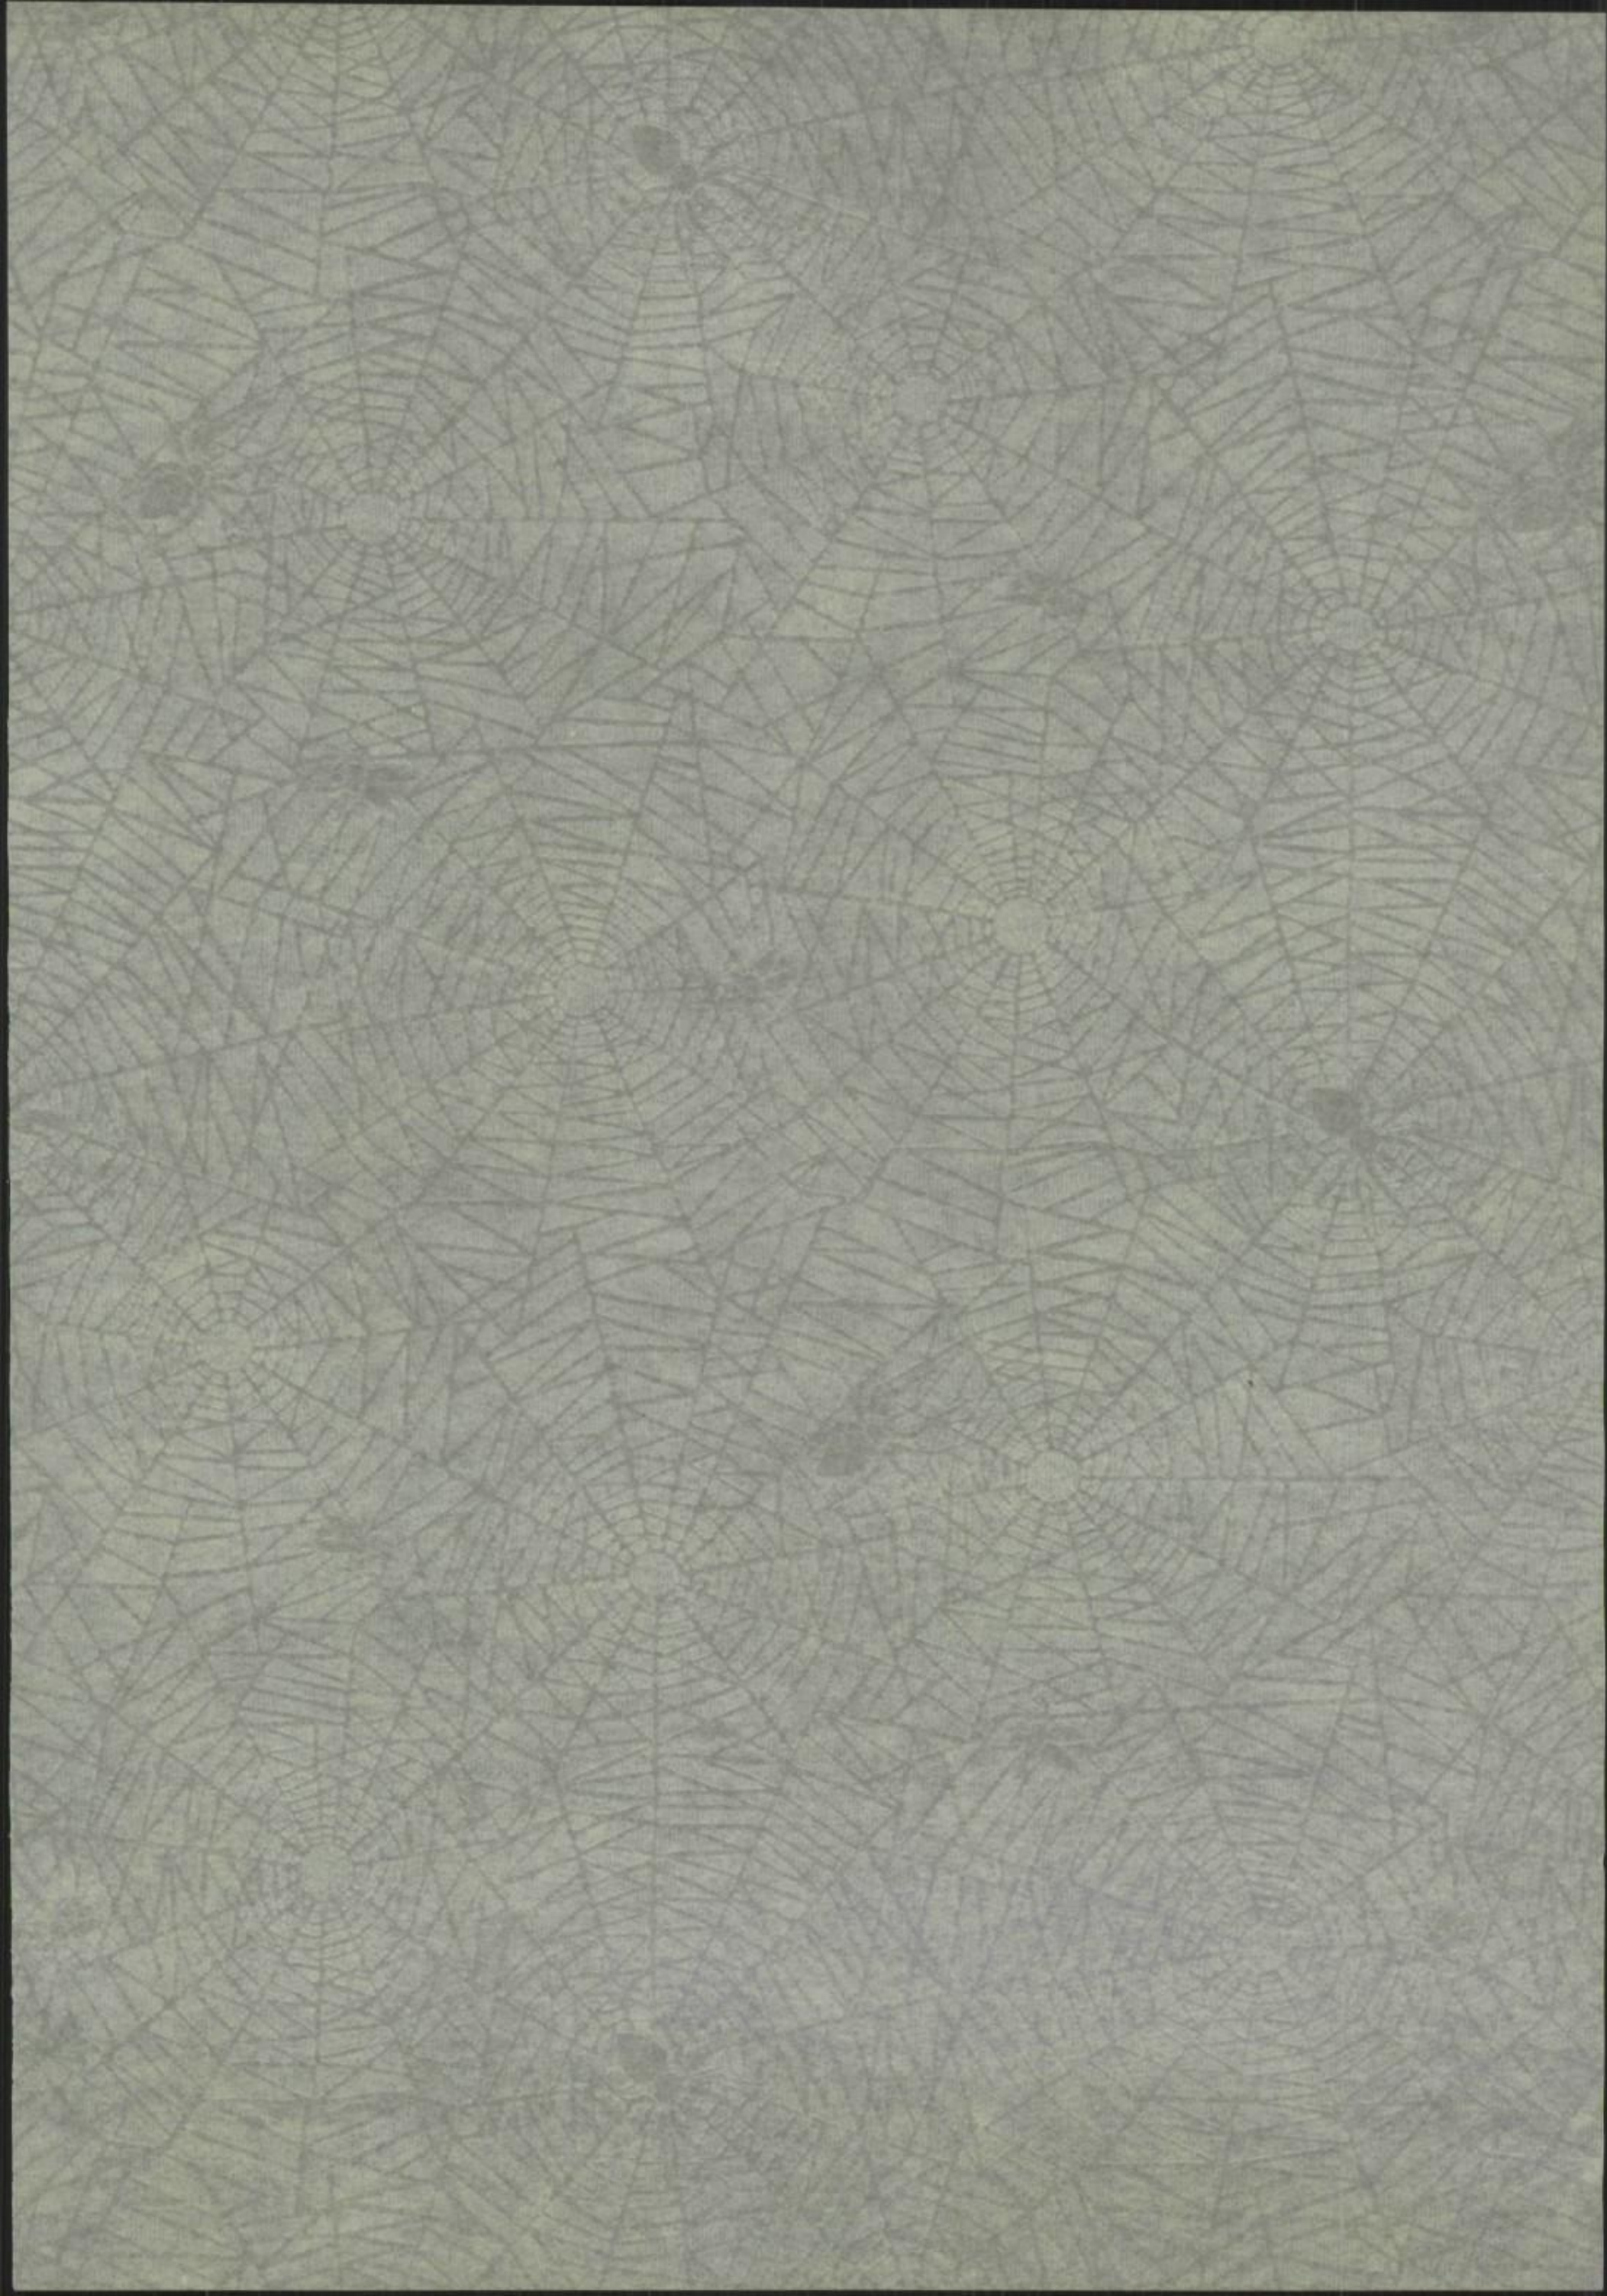

The program ended with a Spanish Dance by Betty Sheldon and a few numbers by the Girls' Glee Club.

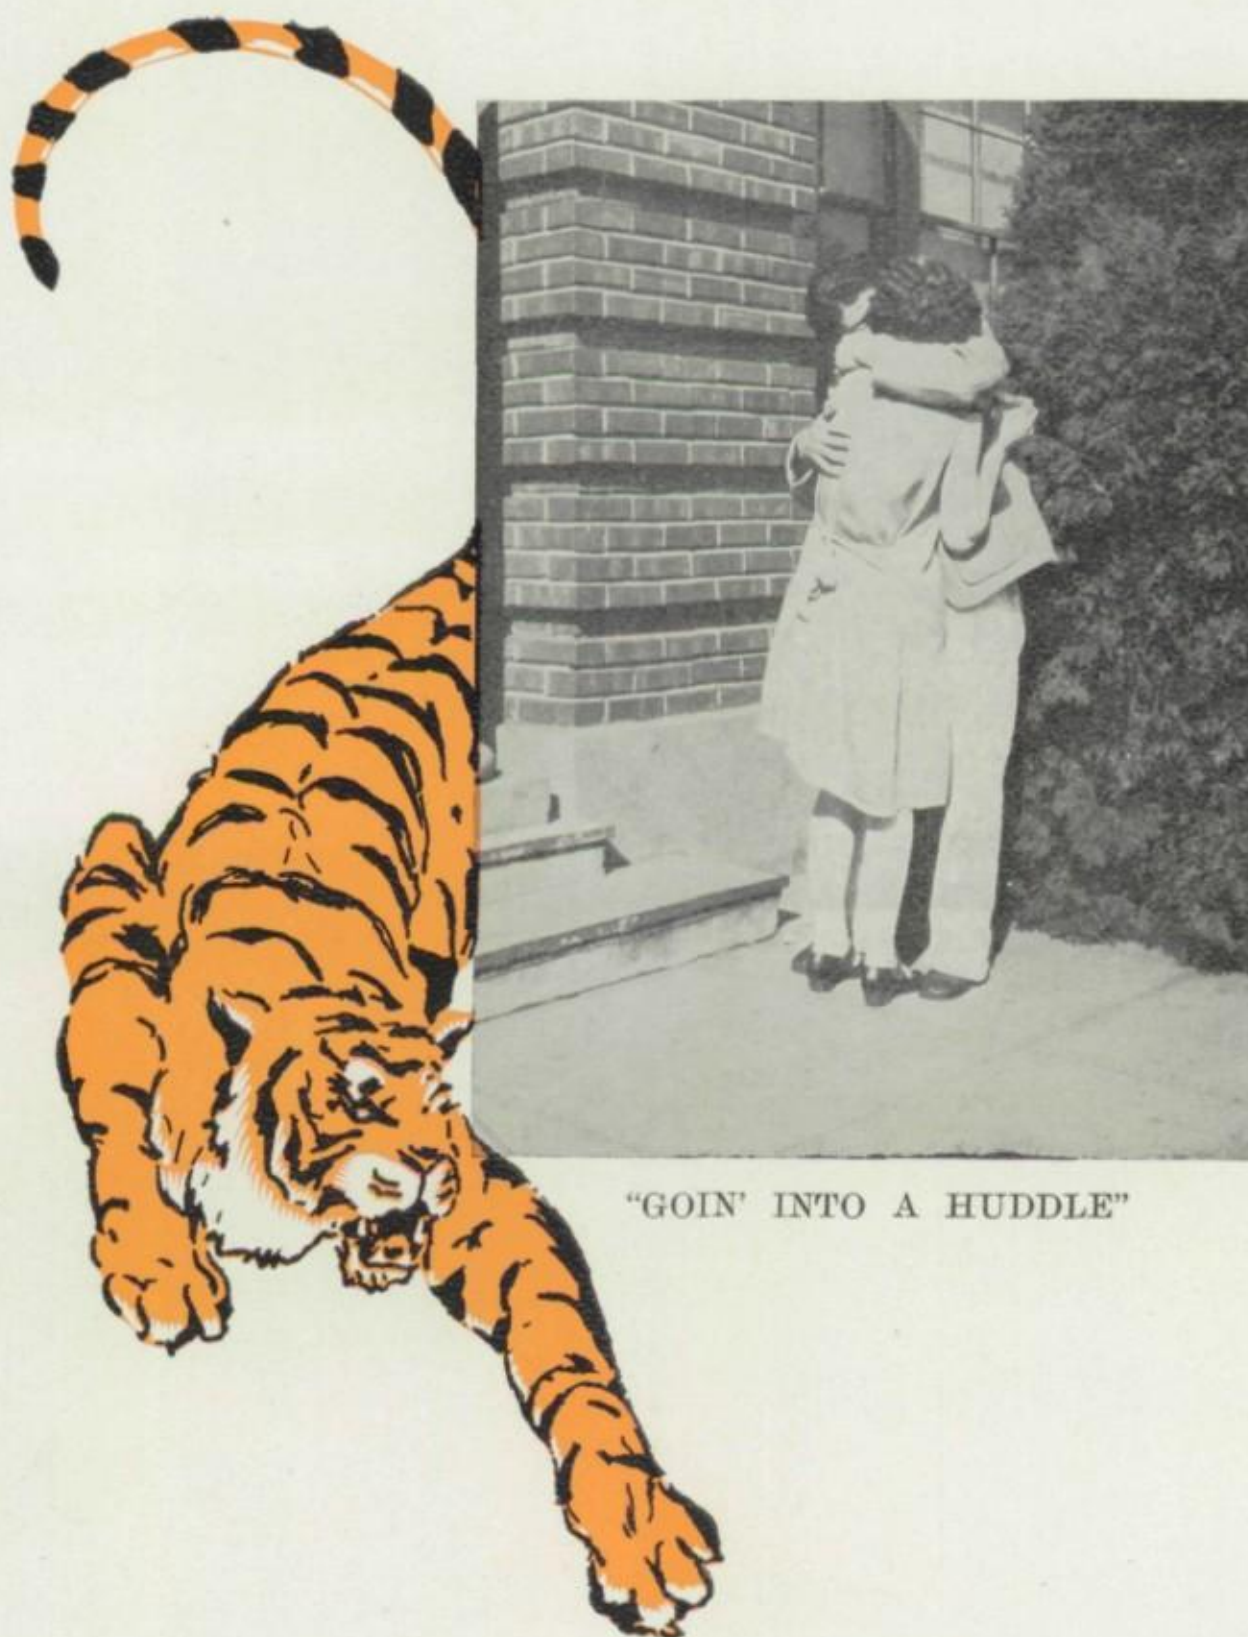

“SCHOOL and college athletics promote discipline, cooperation and clean living and are valuable because they teach self sacrifice and the voluntary setting aside of comfortable, pleasant and perhaps vicious habits incompatible with good physical condition.”

THIS year the Warren O. Grimm loving cup was awarded to Woodrow Ullin by unanimous vote of his team-mates. He also won the football given by George O'Brien to the player who played the best brand of ball during the Chehalis Turkey Day game. Woody is certainly a good player and fully deserved every honor that was bestowed upon him.

Coach "Flynn" Reed who is leaving after this year deserves a big hand for the excellent work that he has done during his three years in C. H. S.

1929~1930 BASKETBALL SEASON

THIS year's basketball season can probably be termed one of the most unusual Centralia has ever had. The team started the season very poorly by losing two pre-season games to PeEll and Kelso, but ended the season by entering the State Tournament at Seattle, taking ninth place.

The schedule of the games was as follows:

Jan. 10	-----	Centralia	-----	13	Chehalis	-----	14
Jan. 17	-----	Centralia	-----	19	Aberdeen	-----	24
Jan. 24	-----	Centralia	-----	18	Olympia	-----	16
Jan. 25	-----	Centralia	-----	23	Lincoln	-----	26
Jan. 31	-----		-----		Hoquiam	-----	
Feb. 7	-----	Centralia	-----	20	Chehalis	-----	19
Feb. 8	-----	Centralia	-----	19	Stadium	-----	21
Feb. 14	-----	Centralia	-----	21	Olympia	-----	25
Feb. 15	-----		-----		Lincoln	-----	
Feb. 21	-----	Centralia	-----	21	Aberdeen	-----	18
Feb. 22	-----	Centralia	-----	26	Stadium	-----	22
Feb. 23	-----	Centralia	-----	15	Hoquiam	-----	20

A tournament was held at Aberdeen to determine who would represent this district in the state meet. Centralia and Olympia were tied in Big Five standing and a play-off was staged at Tenino in which the Tigers beat the Bears 33 to 1.

The Aberdeen Tournament schedule was:

Centralia	----	20	Aberdeen	----	15	Centralia	----	22	Hoquiam	----	25
Centralia	----	23	Kelso	----	11	Centralia	----	19	Aberdeen	----	10

At the state meet Centralia won the opening game from Fairhaven of Bellingham by a score of 16 to 12. In the second game the Tigers were defeated by the strong North Central team 17 to 13. This was a creditable showing as North Central won the State Championship. In the third game Centralia was eliminated by an overwhelming defeat at the hands of the Hoquiam Grizzlies 23-12.

FOR the second time in two years, Centralia High School has copped the Southwest Washington baseball championship. These two highly successful years of the diamond were coached by D. J. "Flynn" Reed, head coach at C. H. S., who by the way, will not be with us next year.

There being only two lettermen back, the new men had to be thoroughly trained. A good battery for the Tigers, backed up by a snappy infield and efficient outfield was largely responsible for the season's victories.

At the time this goes to press we are in the midst of a series of games with Kelso to decide the Southwest championship. We lost game number one, 5-4, but plan to win the next two.

TRACK SQUAD

LeRoy Stahl was voted the Roy Hall trophy for being the biggest inspiration to his team mates.

Lewis County and Midget Football Teams

KITTEN'S CLUB

UNDER THE ABLE LEADERSHIP of Centralia's enthusiastic and hard-working assistant coach, the second team this year enjoyed a very successful season. Starting the year with a green but willing bunch of boys, Mr. Hall developed a machine that functioned smoothly and efficiently in every encounter. Although greatly outweighed in every contest, the team brought nothing but honor to the school where ever it played.

Centralia won two, lost four, and tied one game. The outstanding victory was over the Baby Beareats (Chehalis) when the Kittens won a 6 to 0 count. The Kittens also was the first Centralia squad to enter Tacoma.

The outstanding game of the season was against the mighty championship aggression from Onalaska. Against this outfit the Kittens showed superior strength in leading the Loggers 7 to 0 for three quarters.

However, more important than the building of a team was the development of the men. By the end of the season each position was filled by one or more men who knew exactly what to do. Many of these men will be first team regulars next season.

Midgets

About the middle of the year a new team—the Midgets—was organized. This team was composed of boys unable to make the Kitten's squad. This outfit was coached by one of the second team men, Jack Baker. Although playing only two games, much valuable knowledge was gained by the boys.

GIRLS' ATHLETIC ASSOCIATION

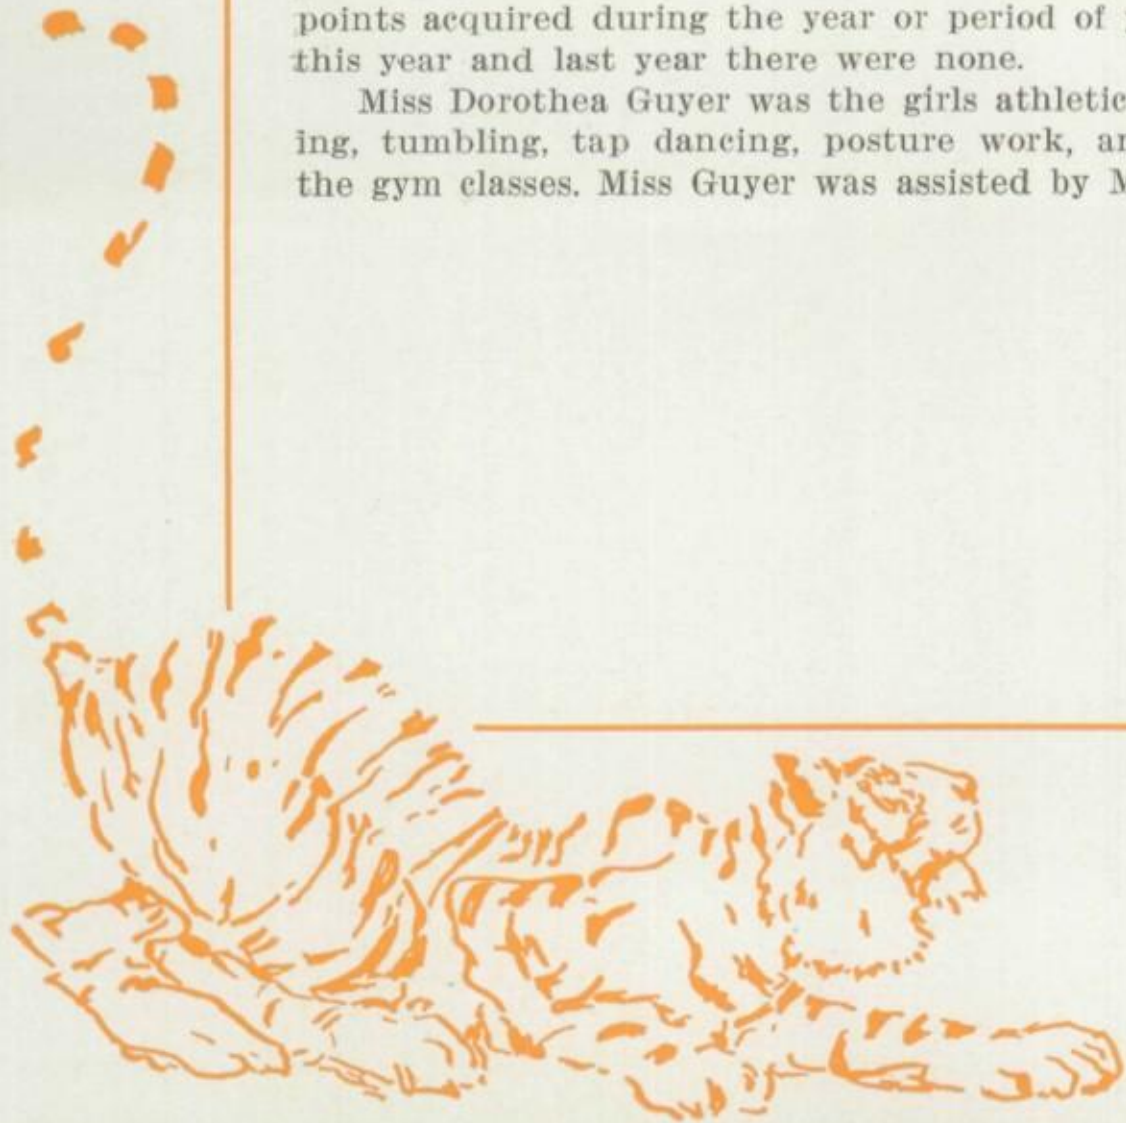

THE GIRLS' ATHLETIC ASSOCIATION has had a very successful year, having had competition in many sports. Hockey, the first major sport was, won by the Juniors; basketball, by the Seniors; baseball, by the Sophomores. Later a banquet was given in honor of the players of all these sports.

Tennis matches and track meets were also held, in which there was keen competition. Several times during the year, the girls put on candy sales, and in April they sponsored a Play Day for the eighth grade girls of the city.

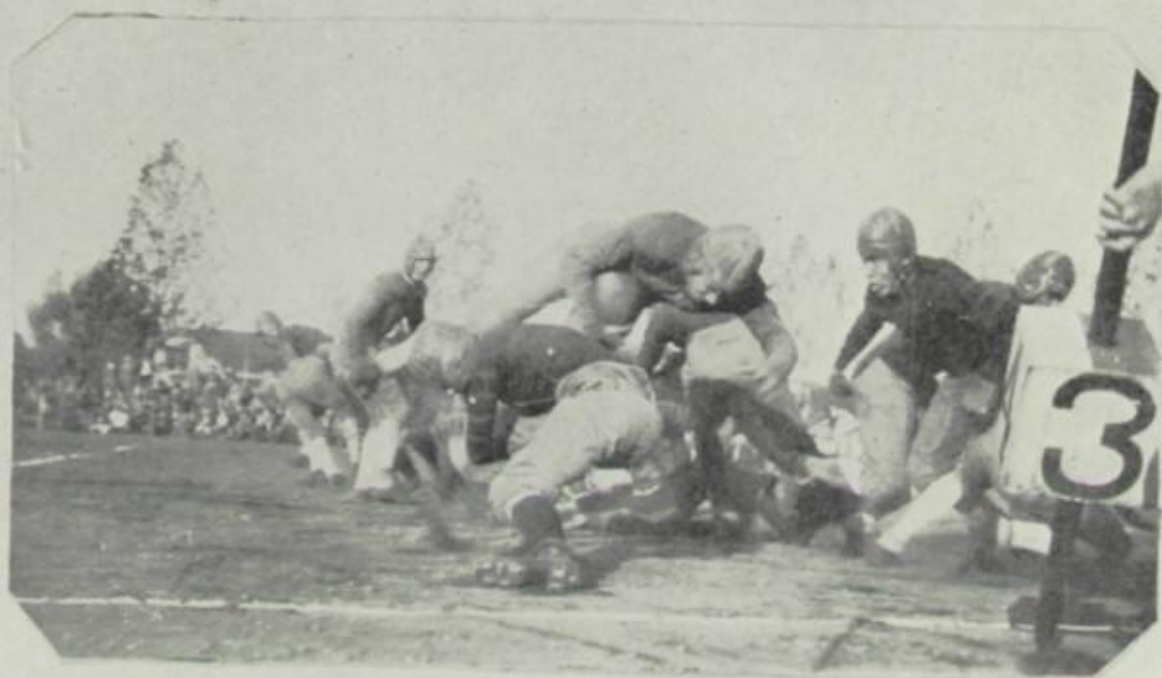

The girls' awards are: Freshmen, numerals; Sophomore, letters; Juniors, pillow tops and Seniors, silver pins. That depends of course on the number of points acquired during the year or period of years. Only three girls won pins this year and last year there were none.

Miss Dorothea Guyer was the girls athletic instructor and coach. Folk dancing, tumbling, tap dancing, posture work, and group games were taught in the gym classes. Miss Guyer was assisted by Miss Hazel Gillespie.

“I AM GLAD I’m not just starting out as a columnist. High school and college publications are turning out so many excellent humorists, that the competition will be mighty keen in a few years. And that’s no joke! Best wishes for the success of your high school annual, and personal regards,”

FEATURES

SEPTEMBER—Heck! this sure gives me a headache, imagine goin' back to school and we just started our vacation. Oy, Yoy.

OCTOBER—We initiate one keen football season into C. H. S. At least it was well balanced, winning and losing about the same number of games.

NOVEMBER—We had a lot to be thankful for this month, turkey, vacation, and one keen football entanglement.

DECEMBER—Gosh! always something to spend your money on, but, this was a good purpose and we did have a good time at the annual Carnival.

JANUARY—If it isn't one dern thing it's another—exams—Oh, well, what if I do spend six or seven years in high school.

FEBRUARY—Ah, it's getting better; basketball games mingled with the three one act plays and a "dinger" of a one act play contest.

MARCH—Another excellent amateur dramatic production, the Jr. play. Not bad, not bad. That isn't all we go to the basketball tournament in Seattle.

APRIL—Yes, fighting is hard on the eyes, just ask Gene Morgan. Any way the Boys' Club smoker was good even if it was full of "hard knocks."

MAY—Aaaah! sighs of relief for the underclassmen; for the seniors—graduation and we leave C. H. S. (most of us) for good.

ADVERTISING

TO OUR ADVERTISERS

A number of the business men of this city are adverse to advertising in the high school annual. They think that it is a useless waste of money and consider it purely as a donation. Looking at it in that way we wish to thank the Centralia business men for their donations to the success of the 1930 Skookum Wa-Wa. We of the staff deeply appreciate the backing that you have given us and intend to remember it in the years to come.
